M2 Living: 69²M2 Plot: 172²

M2 Terrace: -

Address: Los Alcázares,,30710

Luxury Villas built to a high specification next to Roda Golf & Beach Resort and within walking distance to Los Alcazares. The Villas are of a high standard and specification built by a respected local constructor with many years experience in the region of Murcia.

2 bed 2 bath 69m² semi-detached villas with exceptionally large roof terraces also have the optional extra of a pool – from 185,000 Euros and free Jacuzzi for the roof terrace for a limited time.

3 bed 2 bath 79m² villas with exceptionally large roof terraces also come with pools – from 255,000 Euros are also available.

All villas have: stylish and modern open plan designs on large plots with some overlooking orange groves. A show house is available to view the quality and finish of these beautiful properties. These popular properties all come with pre installed air conditioning hot/cold, under floor heating in the bathrooms, double glassing as standard with sun reflective glass, aero therm heating for your hot water.

This is a lovely community with local shops bars and restaurants and a short drive to the beach and airport, and a short walk to the stunning Roda Golf complex, so you can enjoy a game of golf locally without having to live on the resort and pay the communal fees.
