Address: Javea, Alicante

Impressive new build Ibiza style house on a southeastern oriented, flat plot set in a rural residential area adjacent the agricultural area, 5 km away from Javea's historic centre and the bohemian village of Jesus-Pobre.

The property will be completed by end of September 2018 featuring high-quality finishes providing a maximum of comfort. Enjoying life both inside and out is the design's concept and connections are seamless. Both floors are provided with ample terraces and unstinted views to the valley and mountains. The large open-plan living area and designer kitchen on the ground floor open out to a 60 m2 covered terrace and the pool. All three bedrooms, each with en-suite bath, of the top floor, abut onto a beautiful sun terrace. The master suite with walk-through cabinet, bathroom and access to the terrace lies on the ground floor which provides as well a laundry, storage, guest bath and access to the carport.

The property will be handed over with a fully landscaped Mediterranean garden.
